

Product name : ABS hook PICO series
Code : BTAAPPC010305
Weight : 0 kg
Dimension (LxWxH) : 5.5 x 5.5 x 7.5 cm

DESCRIPTION

ABS robe hook **PICO** collection. It is a range of hooks characterized by an innovative and unique design, whose principal feature is its modularity. This series is composed of two main components: the hanger and the spacer. The spacer is also available in two versions, smooth and with a small hanger in the middle. PICO series suits any type of personality as it can be used to invent the most diverse combinations, but it fits well also a linear and simple style in basic combinations.

FEATURES: MADE IN ITALY, modern design, wall mounted robe hook, ABS, single box packed, 5 years warranty.
