Product name : Polypropylene lift up seat with legs RAZOR series
Code : SDLRA03424701
Weight : 0 kg
Dimension (LxWxH) : 48 x 43 x 39 cm

DESCRIPTION

White polypropylene lifts up shower seat **RAZOR** collection. Designed to make showering pleasant, easy and safe. The ergonomic seat is made of techno polymers and has an anti-slip finish. The possibility to lift it up against the wall reduces the encumbrance and ensures comfort and safety for the user thanks to solid die cast aluminum supports. The telescopic legs, made in anodized aluminum, offer extra support whenever the wall does not guarantee a strong hold; the lift-up legs automatically open up in the right position. The height is fixed according to the user needs from 40 to 55 cm from the floor adjusting the telescopic legs 3 cm at a time. All used materials offer maximum hygiene and durability. No maintenance is required. Easy to clean. Entirely made in **ITALY**.

DIMENSIONS: 42 x 47 x 38 cm.

Tested weight: 255 kg.
