

**Product name** : Drain floor trap SQUARE serie 30 cm H 130 mm

**Code** : PZCSQR13030006

**Weight** : 7 kg

**Dimension (LxWxH)** : 21.5 x 31.5 x 31.5 cm

## DESCRIPTION

Stainless steel AISI 304 drain trap floor, **SQUARE** collection made according to the UNI EN 1253-2/4. High quality product with absolutely innovative characteristics. It is the only one to be realized in a single body, without calendaring and without welds on the sheet, made with advanced technologies and machinery. Guarantee total resistance against stray currents while those welded are potentially subject to oxidation and breakage over time. In each of the drain trap floor has been created a housing of the grid with a bearing surface considerably higher, resulting in extreme sealing of the drive-over of the cockpit itself.

**Available height**: 130 mm, 250 mm, 300 mm.

**FEATURES**: MADE IN ITALY, stainless steel floor drain floor trap, stainless steel AISI 304, total hygiene, aggressive cleaning products can be used being made of stainless steel, exhaust flow 38 lit / min, 5 years warranty, box single packed.

**APPLICATIONS**: Agro-feed industry, butcheries and meat processing industry, drink industry, chemical and pharmaceutical industry, industrial kitchens, terraces, showers and swimming pools, hospitals, hotel and restaurants, sport and recreational centers, cosmetic industry, naval construction.
